

### Directions to the Orlando location UCF Research Park:

Sessions at this location are only for those participants who have already been in touch with us to schedule an appointment.

Take Research Parkway from Alafaya Trail and then turn right on Technology Parkway. The parking lot will be on your left as you drive on Technology Parkway. Or take Challenger Parkway – Ingenuity Drive – Science Drive – Technology Parkway from SR408. The parking lot is the last one on your right before you get to Research Parkway. The address is 3100 Technology Parkway, Orlando, FL 32826.

If the parking lot is full you can park across Research Parkway at University Tower.

There are two buildings joining this parking lot. The study location is in the building on the right as you are driving into the parking lot. It is a new building so it is not found on most maps. It is called Partnership III.

Here is a link to a UCF campus flashmap of Partnership III:

[http://campusmap.ucf.edu/flash/index.php?select=b\\_8126](http://campusmap.ucf.edu/flash/index.php?select=b_8126)

Take the elevator to the second floor. Turn right after getting off the elevator. There will be a sign guiding you at this point. The study takes place inside a large meeting room that is located next to a break area with high tables and chairs. If you prefer you can wait downstairs in the lobby and somebody will come and look for you.
